

Where Materials Meet Manufacturing

South East Asia's only
Luggage & Bag Manufacturing Show.

Machinery | Technology | Components
Raw Materials | Manufacturing Solutions

#BehindDbag

www.luggageandbagtechnologyshow.com

A focused show for Luggage & Bags Manufacturing & Components.

The Luggage & Bag Manufacturing Show (LBMS) is India's first and only exhibition dedicated to the manufacturing side of the luggage, bags, handbags, suitcases, travel bags and travel goods industry. Over three days, LBMS brings together luggage manufacturers, brand owners, exporters and OEM buyers with the suppliers and innovators driving the future of luggage and bag production covering everything from raw materials and hardware to technology and manufacturing automation.

Join India's manufacturing community as it comes together for the first time at Luggage & Bag Manufacturing Show in 2027.

A Market Moving Forward

India is emerging as a major force in the global luggage and bags ecosystem — driven by rising consumption, premiumisation, organised manufacturing and evolving consumer preferences

India's Luggage & Bag Market At A Glance

#3

India is the world's 3rd-largest consumer and 2nd-largest producer of luggage by volume.

USD 16.12 BN

Market value in 2025, projected to grow at a 10.1% CAGR between 2026–2033.

FASTEST-GROWING OPPORTUNITY

Luggage is the largest product segment and is projected to be the fastest-growing category in the coming years.

USD 11.5 BN

India's handbag market to nearly double to USD 11.5 billion by 2033, at an 8.9% CAGR.

58%

Soft-sided materials such as nylon, polyester and canvas account for around 58% of the travel bag market in 2025.

The Luggage & Bag Manufacturing Show brings the complete manufacturing ecosystem together under one roof connecting

- Manufacturers
- Brand Owners
- OEMs / ODMs
- Exporters
- Technology Providers
- Raw Material Suppliers
- Component Manufacturers
- Machinery & Equipment Companies

Luggage & Bags are often treated as a sub-category.

We're giving it a dedicated platform. LBMS is focused specifically on the manufacturing side of the industry.

A dedicated platform for the people, products and technologies behind every bag, suitcase and travel product.

Exhibitor Profile

Explore products, technologies and solutions across the entire production value chain.

Machinery & Equipment

- Injection moulding & shell-forming equipment
- Cutting & die-cutting machines
- Sewing, stitching & bar-tacking machines
- Ultrasonic & high-frequency equipment
- Printing, embossing & branding equipment
- Testing & quality-control equipment

Components & Parts

- Zippers, sliders & pullers
- Wheels, trolley systems & telescopic handles
- Combination, TSA & smart locks
- Buckles, rivets, D-rings & fasteners
- Handles, straps & webbing
- Frames, corner guards & shell components
- Labels, trims & branding accessories

Raw Materials

- Genuine, synthetic & PU leather
- Nylon, polyester, canvas and other fabrics & textiles
- Linings & interior materials
- Plastic components & moulded parts
- Foams, paddings & reinforcements
- Coatings, laminates & finishes
- Sustainable & eco-friendly material alternatives

Visitor Profile

Luggage, Bag & Travel Goods Manufacturers

Factory owners and manufacturing businesses across luggage and travel goods.

Brand Owners

Brands managing in-house and outsourced manufacturing requirements.

Handbag & Backpack Manufacturers

Producers of handbags, backpacks and travel accessories.

Exporters, Importers & Distributors

Businesses sourcing products, components, materials and manufacturing solutions.

OEM / ODM & Contract Manufacturers

Businesses involved in outsourced, private-label and contract production.

Machinery, Hardware & Component Dealers

Channel partners and solution providers serving the luggage & bag manufacturing ecosystem.

A Complete Manufacturing Experience.

Venue – India Expo Centre, Delhi-NCR

- **Excellent access** to major industrial clusters across Noida, Greater Noida, Ghaziabad, Faridabad, Meerut and surrounding regions
- Located within a **dense manufacturing** and business ecosystem spanning automotive, engineering, electronics, plastics, pharma, FMCG and logistics
- **Well connected** by Delhi-Agra Expressway, Noida-Greater Noida Expressway, Yamuna Expressway and Delhi Metro, making visitor access convenient
- **Proximity** to Indira Gandhi International Airport, Noida & Hindon Airport and major highways enables participation from buyers and exhibitors across India and overseas.
- **Large, modern halls**, ample parking, meeting facilities and supporting infrastructure make it suitable for large-scale B2B exhibitions and live technology demonstrations.
